TERMS OF SERVICE

PLEASE READ THESE TERMS OF SERVICE ("TERMS") CAREFULLY BEFORE USING THIS WEBSITE OR ANY ASSOCIATED PLATFORM SERVICES. BY ACCESSING OR USING THE SERVICES, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE, DO NOT ACCESS OR USE THE SERVICES. SECTION 19 CONTAINS A BINDING ARBITRATION AGREEMENT AND CLASS ACTION WAIVER.

1. Acceptance of Terms

These Terms constitute a legally binding agreement between you ("User," "you," or "your") and FutureSelf RX, a Wyoming limited liability company ("FutureSelf RX," "Company," "we," "us," or "our"), governing your access to and use of the website located at futureselfrx.ai and any related platform, application, tools, or services (collectively, the "Services").

By creating an account, accessing the Services, or clicking to accept or agree to these Terms, you represent that you have read, understood, and agree to be bound by these Terms and our Privacy Policy, and, if applicable, that you are authorized to bind the entity on whose behalf you are acting.

2. Provider-Only Platform

The Services are intended solely for use by licensed healthcare practitioners with prescriptive authority, licensed healthcare practices, and authorized practice personnel acting under the supervision of such practitioners and within the scope of their license and employment (each, a "Provider"). The Services are not intended for use by consumers, patients, or members of the general public. No content on the Services is directed to patients, and patients may not order, request, or obtain any prescription product directly through the Services.

By using the Services, you represent and warrant that you hold, or act on behalf of a practitioner who holds, an active, unrestricted license to practice in each jurisdiction in which you use the Services or in which your patients are located, and that you are acting within the scope of your professional duties.

3. Provider Credential Verification

As a condition of account approval and continued access, FutureSelf RX will verify Provider credentials, which may include the Provider's state professional license(s), National Provider Identifier (NPI), and, where applicable, U.S. Drug Enforcement Administration (DEA) registration and state controlled substance registration. We may re-verify credentials periodically and at any time. You agree to notify us within five (5) business days of any lapse, suspension, restriction, probation, surrender, or revocation of any license or registration, or of any pending disciplinary action. We will suspend access for any Provider whose credentials cannot be verified or are no longer in good standing.

4. Important Regulatory Notice

Prescription drug products, including compounded preparations, are available through the Services only to licensed Providers and may be dispensed only by appropriately licensed pharmacies pursuant to a valid prescription issued in the course of a legitimate provider–patient relationship.

Compounded medications are not approved by the U.S. Food and Drug Administration (FDA). The FDA does not verify the safety, effectiveness, or quality of compounded drugs before they are marketed. Compounded preparations may be prescribed only when the Provider determines that a compounded

preparation is medically necessary for an identified individual patient, consistent with applicable federal and state law.

Nothing on the Services is intended to diagnose, treat, cure, or prevent any disease, and nothing on the Services constitutes medical advice, prescribing guidance, or patient-specific treatment recommendations. Content on the Services is provided for informational purposes for licensed professionals only and does not replace the Provider's independent clinical judgment.

5. FutureSelf RX's Role and Scope of Services

FutureSelf RX is a technology platform and administrative services provider. FutureSelf RX:

- is not a manufacturer, pharmacy, wholesale distributor, outsourcing facility, dispensing entity, or licensed prescribing provider;
- does not prescribe, dispense, compound, warehouse, ship, or take title to any drug or preparation made available through third-party pharmacy partners or suppliers accessible through the Services;
- does not practice medicine or pharmacy and does not direct, control, or interfere with the independent professional judgment of any Provider or pharmacist; and
- acts as an administrative and technological intermediary connecting licensed Providers with licensed third-party pharmacy partners and suppliers ("Pharmacy Partners").

Any references to sourcing, fulfillment, or supply relationships are administrative and logistical in nature. FutureSelf RX is not a party to the clinical relationship between any Provider and their patients. Fees paid to FutureSelf RX are for technology and administrative services only and are not contingent on the volume or value of prescriptions written or referrals made.

6. Pharmacy Partner Standards

FutureSelf RX makes available through the Services only Pharmacy Partners that, based on FutureSelf RX's due diligence, represent and warrant that they:

- are licensed or registered as a pharmacy (or, where applicable, registered with the FDA as an outsourcing facility under Section 503B of the Federal Food, Drug, and Cosmetic Act) in the state in which they are located;
- hold all non-resident pharmacy licenses or registrations required to dispense or deliver into each state in which a patient or Provider receives a preparation;
- compound only in compliance with Sections 503A or 503B of the Federal Food, Drug, and Cosmetic Act, as applicable, applicable United States Pharmacopeia (USP) standards, and state pharmacy law;
- dispense prescription drugs only pursuant to a valid prescription, or, where permitted by state law, a valid office-use order;
- do not dispense drugs that have been withdrawn or removed from the market for safety reasons, and do not compound using bulk drug substances that are not permitted for compounding under federal law; and
- source active pharmaceutical ingredients only from FDA-registered establishments and do not import drugs in violation of U.S. law.

FutureSelf RX will not make available through the Services any product labeled or marketed as "for research use only," "not for human consumption," or similar, or any unapproved new drug that does not qualify for a lawful compounding or other statutory exemption. FutureSelf RX will not facilitate the shipment of any preparation into a jurisdiction in which the dispensing Pharmacy Partner is not licensed or registered to deliver. FutureSelf RX may remove any Pharmacy Partner or product from the Services at any time. Notwithstanding

the foregoing, each Pharmacy Partner remains solely responsible for its own compliance and for the quality of the preparations it dispenses.

7. Provider Clinical and Regulatory Responsibility

The Provider is solely and exclusively responsible for:

- establishing and maintaining a valid, documented provider–patient relationship, including an appropriate evaluation of the patient, as required by the laws of the state in which the patient is located at the time of the encounter;
- all clinical decision-making, diagnosis, treatment, and prescribing decisions, and for determining the medical necessity and appropriateness of any preparation for each individual patient;
- evaluating the regulatory status, appropriateness, and safety of any preparation prescribed through the Services;
- obtaining and maintaining all licenses, permits, registrations, and authorizations required under applicable federal, state, and local law, including licensure in the state where each patient is located;
- obtaining informed consent from patients, including disclosure that compounded preparations are not FDA-approved;
- compliance with all applicable laws, including state medical and pharmacy practice acts, telehealth and corporate practice of medicine laws, the federal Controlled Substances Act and the Ryan Haight Online Pharmacy Consumer Protection Act, FDA regulations, federal and state anti-kickback, self-referral, and fee-splitting laws, and consumer protection and advertising laws; and
- all interactions with, and outcomes experienced by, the Provider's patients.

Controlled substances may be prescribed only by Providers holding a valid DEA registration and applicable state registration, and only in full compliance with federal and state law, including any in-person examination requirements and prescription drug monitoring program obligations.

FutureSelf RX makes no representations or warranties, express or implied, regarding the safety, efficacy, health benefits, or clinical outcomes associated with any preparation or service accessed through the Services.

8. Advertising and Promotional Conduct

Providers who market their own services to patients are solely responsible for ensuring that such marketing is truthful, not misleading, substantiated, and compliant with applicable law. Providers may not (a) state or imply that compounded preparations are FDA-approved, generic, or equivalent to FDA-approved drugs; (b) make claims regarding the safety or efficacy of compounded preparations that are not supported by competent and reliable scientific evidence; (c) use FutureSelf RX's name or marks in patient-facing advertising without our prior written consent; or (d) offer prescription drugs to patients without first requiring an appropriate clinical evaluation.

9. Adverse Event Reporting

Providers should report any suspected adverse event or product quality concern to the dispensing Pharmacy Partner and, as appropriate, to the FDA through the MedWatch program (www.fda.gov/medwatch or 1-800-FDA-1088). Providers are also asked to notify FutureSelf RX at support@futureselfrx.ai so that we may take appropriate administrative action, including suspending access to an affected product or Pharmacy Partner.

10. Jurisdictions Served and State-Specific Terms

10.1 Jurisdictions

The Services are made available to Providers located in and licensed by each of the fifty (50) United States and the District of Columbia (each, a "Jurisdiction"), as set forth below. The Services are not offered outside the United States, and no preparation will be shipped to any address outside the United States.

The Jurisdictions in which the Services are made available are: the State of Alabama, the State of Alaska, the State of Arizona, the State of Arkansas, the State of California, the State of Colorado, the State of Connecticut, the State of Delaware, the State of Florida, the State of Georgia, the State of Hawaii, the State of Idaho, the State of Illinois, the State of Indiana, the State of Iowa, the State of Kansas, the Commonwealth of Kentucky, the State of Louisiana, the State of Maine, the State of Maryland, the Commonwealth of Massachusetts, the State of Michigan, the State of Minnesota, the State of Mississippi, the State of Missouri, the State of Montana, the State of Nebraska, the State of Nevada, the State of New Hampshire, the State of New Jersey, the State of New Mexico, the State of New York, the State of North Carolina, the State of North Dakota, the State of Ohio, the State of Oklahoma, the State of Oregon, the Commonwealth of Pennsylvania, the State of Rhode Island, the State of South Carolina, the State of South Dakota, the State of Tennessee, the State of Texas, the State of Utah, the State of Vermont, the Commonwealth of Virginia, the State of Washington, the State of West Virginia, the State of Wisconsin, the State of Wyoming, and the District of Columbia.

10.2 Conditions on Availability in Each Jurisdiction

Availability of the Services in a Jurisdiction does not mean that every preparation, Pharmacy Partner, or service is available in that Jurisdiction. In each Jurisdiction:

- a Provider may use the Services only for patients located in a Jurisdiction in which the Provider holds an active license (or a valid interstate compact privilege) to practice;
- a preparation will be dispensed only by a Pharmacy Partner that is licensed or registered to dispense or deliver into the Jurisdiction in which the patient or Provider will receive it;
- preparations, dosage forms, or services that are restricted or prohibited by the law or regulations of that Jurisdiction will not be made available for delivery into it; and
- telehealth-based prescribing is subject to that Jurisdiction's requirements for establishing a provider–patient relationship, informed consent, and any in-person examination.

FutureSelf RX may restrict, limit, or suspend the Services, or specific products, in any Jurisdiction at any time to comply with applicable law, regulatory guidance, or the requirements of a licensing authority.

10.3 State-Specific Notices

California. Under California Civil Code Section 1789.3, California users are entitled to the following notice: the Complaint Assistance Unit of the Division of Consumer Services of the California Department of Consumer Affairs may be contacted in writing at 1625 North Market Blvd., Suite N-112, Sacramento, CA 95834, or by telephone at (800) 952-5210.

New Jersey. Nothing in these Terms is intended to limit any right or remedy that cannot be limited under the New Jersey Truth-in-Consumer Contract, Warranty and Notice Act. Any provision found to violate that Act shall be deemed modified to the minimum extent necessary to comply.

All Jurisdictions. Certain Jurisdictions do not permit the exclusion of implied warranties, the limitation of liability for certain damages, or certain indemnification or dispute-resolution provisions. In those Jurisdictions, the affected provisions of these Terms apply only to the fullest extent permitted by the law of that Jurisdiction, and all other provisions remain in full force and effect. Complaints regarding a licensed pharmacy or practitioner may also be directed to the licensing board of the applicable Jurisdiction.

11. Eligibility and Account Registration

You must be at least 18 years old and possess the legal authority to enter into these Terms. You agree to provide accurate, current, and complete information during registration, including licensure information, and to promptly update such information. You are responsible for maintaining the confidentiality of your account credentials and for all activity occurring under your account. Accounts may not be shared, and each authorized user must have individual credentials.

12. Acceptable Use

You agree not to:

- use the Services for any unlawful purpose or in violation of any applicable law or regulation;
- misrepresent your licensure, credentials, identity, or authority to use the Services;
- use the Services to prescribe, order, or dispense any preparation outside the bounds of a valid, documented provider–patient relationship, or for any patient located in a Jurisdiction in which you are not licensed;
- order preparations for resale, redistribution, or non-patient-specific use except as expressly permitted by law;
- permit patients or other unauthorized persons to access your account or the Services;
- reverse engineer, decompile, scrape, or attempt to extract the source code or underlying data of the Services;
- interfere with or disrupt the integrity or performance of the Services; or
- use the Services to transmit any unlawful, harassing, defamatory, or infringing content.

FutureSelf RX cooperates with law enforcement and regulatory authorities and may report suspected unlawful activity.

13. Privacy, HIPAA, and Protected Health Information

Our collection and use of personal information is described in our Privacy Policy, which is incorporated into these Terms. To the extent FutureSelf RX creates, receives, maintains, or transmits protected health information (“PHI”) on behalf of a Provider in connection with the Services, such activity is governed by a separate Business Associate Agreement (“BAA”) between FutureSelf RX and the Provider, which is incorporated by reference into these Terms. In the event of any conflict between these Terms and an executed BAA regarding the handling of PHI, the BAA shall control.

FutureSelf RX maintains administrative, physical, and technical safeguards designed to protect PHI in accordance with HIPAA and applicable state privacy laws; however, no method of electronic transmission or storage is completely secure, and FutureSelf RX cannot guarantee absolute security. Providers are solely responsible for their own compliance with HIPAA and applicable state health privacy laws, including providing a Notice of Privacy Practices to their patients and obtaining any necessary patient authorizations.

14. Intellectual Property

All content, trademarks, logos, software, and materials made available through the Services are the property of FutureSelf RX or its licensors and are protected by applicable intellectual property laws. You are granted a limited, non-exclusive, non-transferable, revocable license to access and use the Services solely for their intended professional purpose. No other rights are granted.

15. Third-Party Pharmacy Partners, Suppliers, and Links

The Services may facilitate connections with, or contain links to, third-party Pharmacy Partners, suppliers, or service providers. Although FutureSelf RX applies the standards described in Section 6, FutureSelf RX does not control and is not responsible for the products, services, content, privacy practices, or conduct of any third party. Your dealings with any third party accessed through the Services are between you and that third party.

16. Disclaimer of Warranties

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND ACCURACY. FUTURESELF RX DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE, OR THAT ANY PREPARATION SOURCED THROUGH THE SERVICES WILL MEET YOUR OR YOUR PATIENTS' REQUIREMENTS.

17. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW:

a. IN NO EVENT SHALL FUTURESELF RX, ITS OFFICERS, DIRECTORS, MEMBERS, MANAGERS, EMPLOYEES, AGENTS, OR AFFILIATES BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING LOSS OF PROFITS, REVENUE, DATA, GOODWILL, OR BUSINESS OPPORTUNITY, ARISING OUT OF OR RELATED TO YOUR USE OF THE SERVICES, ANY PREPARATION SOURCED THROUGH THE SERVICES, OR ANY PATIENT OUTCOME, REGARDLESS OF THE THEORY OF LIABILITY AND EVEN IF FUTURESELF RX HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

b. IN NO EVENT SHALL FUTURESELF RX'S TOTAL CUMULATIVE LIABILITY ARISING OUT OF OR RELATED TO THESE TERMS OR THE SERVICES EXCEED THE GREATER OF (i) THE TOTAL FEES PAID BY YOU TO FUTURESELF RX IN THE TWELVE (12) MONTHS PRECEDING THE EVENT GIVING RISE TO THE CLAIM, OR (ii) ONE HUNDRED U.S. DOLLARS ($100).

c. THESE LIMITATIONS APPLY REGARDLESS OF WHETHER A CLAIM IS BASED ON CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY, AND SHALL SURVIVE ANY TERMINATION OF THESE TERMS. NOTHING IN THESE TERMS LIMITS LIABILITY THAT CANNOT BE LIMITED UNDER THE LAW OF THE APPLICABLE JURISDICTION, INCLUDING LIABILITY FOR GROSS NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD.

18. Indemnification

You agree to defend, indemnify, and hold harmless FutureSelf RX and its officers, directors, members, managers, employees, agents, successors, and affiliates (collectively, the "FutureSelf RX Parties") from and against any and all claims, demands, actions, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or related to:

a. your access to or use of the Services;

b. your violation of these Terms or any applicable law, rule, or regulation;

c. any prescribing decision, clinical judgment, or patient care decision made or taken by you or under your license;

d. any breach of your representations and warranties under these Terms, including your representations regarding licensure; or

e. any dispute between you and a patient, Pharmacy Partner, or other third party.

FutureSelf RX reserves the right, at your expense, to assume the exclusive defense and control of any matter subject to indemnification by you, and you agree to cooperate with FutureSelf RX's defense of such claims. This obligation survives termination of these Terms and your use of the Services.

19. Governing Law; Dispute Resolution

These Terms and any dispute arising out of or relating to these Terms or the Services shall be governed by the laws of the State of Wyoming and applicable federal law, without regard to conflict of laws principles; provided, however, that nothing in this Section displaces the professional licensing, pharmacy, telehealth, or patient-protection laws of the Jurisdiction in which a Provider practices or a patient is located, which continue to apply to the conduct they govern.

Any dispute, claim, or controversy arising out of or relating to these Terms or the Services shall be resolved exclusively through binding arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, conducted in the State of Wyoming or, at either party's election, by video conference, except that either party may seek injunctive or equitable relief in a court of competent jurisdiction to protect its intellectual property or confidential information, and either party may bring an individual claim in small claims court where eligible. YOU AND FUTURESELF RX EACH WAIVE ANY RIGHT TO A JURY TRIAL AND TO PARTICIPATE IN A CLASS OR REPRESENTATIVE ACTION. Nothing in this Section prevents you from filing a complaint with, or cooperating with, any governmental or licensing authority.

20. Term and Termination

FutureSelf RX may suspend or terminate your access to the Services at any time, with or without notice, including for failure of credential verification, suspected violation of these Terms, or suspected violation of applicable law. You may terminate your use of the Services at any time by ceasing access and closing your account. Sections that by their nature should survive termination (including Sections 7, 13, 14, 16, 17, 18, 19, and 21) shall survive.

21. Miscellaneous

Entire Agreement. These Terms, together with any BAA, the Privacy Policy, and other referenced policies, constitute the entire agreement between you and FutureSelf RX regarding the Services.

Severability. If any provision of these Terms is found unenforceable in any Jurisdiction, it shall be modified to the minimum extent necessary to be enforceable there, and the remaining provisions shall remain in full force and effect.

No Waiver. FutureSelf RX's failure to enforce any provision shall not constitute a waiver of that provision.

Assignment. You may not assign these Terms without FutureSelf RX's prior written consent. FutureSelf RX may assign these Terms in connection with a merger, acquisition, or sale of assets.

Modifications. FutureSelf RX may modify these Terms by posting the revised Terms on the Services and updating the "Last Updated" date. For material changes, we will provide notice by email or through the Services at least fifteen (15) days before the changes take effect, except where a change is required sooner by law. Continued use of the Services after the effective date constitutes acceptance of the revised Terms.

Force Majeure. FutureSelf RX shall not be liable for any failure or delay in performance resulting from causes beyond its reasonable control.
